NRO REVIEW COMPLETED

COR-0910
Copy 4 of 6
17 October 1960

Dear Chuck,

Reference is made to your letter SP-586 dated October 6, 1960 concerning use of "C" spares in the Bio-Med Program.

Approval is granted to use those spares listed in referenced letter or any other spares or residual generated under Contract No. [redacted] which have no application to any of the follow-on orders.

It is assumed that proper records of this disposition are being maintained for review by the Auditor at final price redetermination. For our record purposes I would appreciate an estimate of the value of the parts being transferred as soon as practicable.

Regards,

SIGNED
